That happened in our store a few days ago. A woman came in to buy poker - and she bought a stove, or an ALL STEEL "JEWEL" RANGE. which is better still; a clear illustration of what we have often claimedthat to see the "JEWEL," to make a critical examination of its remarkable and incomparable virtues as a Quick Cooker, Baker and Fuel Saver, is to BUY THE JEWEL, even though the person who inspects it may not be actually in immediate need of a Cooking Stove. For some years the "MAGEE" FURNACES have enjoyed the reputation of being almost perfect as a Warm Air Medium. The "BOSTON HEATER" is the "MAGEE'S" latest crowning accomplishment. We are the only house selling the famous "BOSTON MAGEE HEATER."
